RE: Zoning Application Case for 4404 Garrison St., NW

To whom it may concern:

Peter Butturini and Gina Mirigliano of 4404 Garrison St, NW, have made application for a Special Exception to construct an addition to their home. The addition will enhance the home in value and it will be an aesthetically pleasing addition to the property. The addition will not compromise the integrity of the overall zoning plan as it will maintain the existing conforming lines.

At our properly noticed public meeting on November 9, 2006, the ANC, by a vote of 3-0, [a quorum of 3 being present] agreed **not to oppose** the application and request that the Special Exception be granted in this case.

Commissioners Amy McVey, Lucy Eldridge, and Carolyn Sherman were in attendance and voted. The ANC authorizes any of the three commissioners to present a report to the zoning commission at the hearing.

Sincerely,

Carolyn M. Sherman
Commissioner, ANC3E-03
