RE: Gate at Tenleytown Metro Entrance

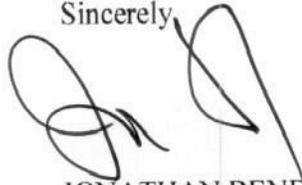

Dear Mr. Lawson:

You had mentioned at a meeting in early June that WMATA might be able to install a gate at the western entrance of the Tenleytown Metro escalator. You noted that ANC 3E would need formally to ask for information on such an option before WMATA could develop the information.

On June 11, 2009, ANC 3E passed a motion inviting WMATA to provide such information to the ANC and the community. The motion passed by a vote of 4-0 at a properly noticed meeting, at which a quorum was present, with Commissioners Bender, Frumin, Serebin, and Sklover voting yes. Accordingly, please consider this letter to evince ANC 3E's formal request for this information.

Please do not hesitate to contact me with any questions. Thank you in advance for your attention to this matter.

Sincerely,

A handwritten signature in black ink, consisting of several loops and a long, sweeping tail that extends to the right.

CHAIRPERSON
