

**Resolution on Plan for Property at the Corner of Albemarle St, NW and
Nebraska Ave, NW as revised and presented by James Gibson**

Whereas James Gibson has presented a revised plan for the property at the corner of Albemarle Street, NW and Nebraska Avenue, NW;

Whereas the Gibson's revised plan calls for six units, preserves the large white oak tree in the rear of the property and the large tulip poplar on the Albemarle frontage;

Now therefore ANC 3E supports the concept of the Tenley Park proposal as presented by Jim Gibson at the June 14,2001 meeting of ANC 3-E.

ANC 3-E approved this resolution by unanimous vote at its duly noticed monthly public meeting on June 14, 2001. Commissioners present were Jill Diskan, Chris McNamara, Leslie Quynn, Frank Gordon, and Tad DiBiase.
