Resolution Regarding Request for Traffic Calming Audit on 43rd Street

WHEREAS, a petition was presented to ANC 3E, signed by more than 50% of residents of 43rd Street, NW between Albemarle and Chesapeake Streets, NW, asking the District Department of Transportation (DDOT) to conduct a traffic calming audit of those blocks, and

WHEREAS, commissioners believe these blocks merit such analysis, and

WHEREAS, commissioners believe that DDOT should abandon or reduce reliance on block-by-block analysis of traffic calming needs and instead conduct holistic reviews of the needs of neighborhoods and/or or ANC jurisdictions, and

WHEREAS, DDOT has stated that it, in fact, plans to conduct such a holistic analysis in ANC 3E's jurisdiction,

NOW THEREFORE BE IT RESOLVED, ANC 3E supports the request for a traffic calming audit on the blocks at issue but respectfully urges DDOT to begin a holistic analysis of traffic calming and other traffic safety needs in ANC 3E's jurisdiction and, if it does so soon, to incorporate any study of the blocks in question into this larger analysis.

ANC 3E approved this resolution at its meeting on September 10, 2009, which was properly noticed and at which a quorum was present. The resolution was approved by a vote of 5-0. Commissioners Jonathan Bender, Lucy Eldridge, Mathew Frumin, Sam Serebin, and Beverly Sklover were present.
