Resolution Regarding DDOT Notice of Intent 13-249-TOA regarding the intersection of 38th Street and Fessenden Street NW

Whereas, the intersection of 38th and Fessenden Streets NW has been reviewed by the District Department of Transportation (DDOT), and

Whereas, at the current time this intersection is only controlled by a stop sign for traffic travelling southbound and northbound on 38th Street, and

Whereas, traffic travelling eastbound on Fessenden Street approaches this intersection at a high rate of speed due to the downward slope of Fessenden Street, and

Whereas, this intersection is traversed by many Alice Deal Middle School students on the way to and from school along with others and is also adjacent to a well-used soccer field, and

Whereas, DDOT has proposed to add stop signs for eastbound and westbound traffic on Fessenden Street to improve the safety for both pedestrians and drivers, and

Whereas, DDOT has also proposed installing “No Parking Any Time “ signs on Fessenden Street and 38th Street to restrict on-street parking within 25 feet of the multi-way stop signs,

Whereas, current stop signs at the intersections of Fessenden and 41st Street, Fessenden & Belt and Fessenden and 39th Street appear to have only marginally improved the safety of those intersections due to speeding on Fessenden Street and coasting through stop signs, and

Now therefore be it resolved, ANC 3E supports the immediate erection of a stop sign for Fessenden Street traffic at 38th Street but ANC 3E urges DDOT to consider and implement additional traffic calming measures on Fessenden Street including but not limited to:

- Maintenance to ensure better visibility of existing signage on and around Fessenden Street
- Curb bulb outs
- Sharrows
- Raised crosswalks
- Improved signage
- Enforcement cameras for speeding
- Speed humps or tables

ANC 3E approved this resolution at its meeting on March 14, 2013, which was properly noticed and at which a quorum was present. The resolution was approved by a vote of 3-0-0. Commissioners Jonathan Bender, Elizabeth Haile and Tom Quinn were present.
