RESOLUTION SUPPORTING JANNEY ADDITION

WHEREAS:

1. Janney Elementary School was recently modernized and expanded.
2. Unfortunately, Janney's enrollment has grown so quickly that it is already over capacity, and based on projections, it likely will soon further exceed capacity.
3. To accommodate this influx of students, the DC Department of General Services (DGS) has proposed to build a comparatively small addition on top of a single-story portion of the current school.
4. The addition will serve a vital community need, and is not expected to impose any significant burden on the community.

NOW THEREFORE BE IT RESOLVED:

1. ANC 3E supports the proposed addition to Janney Elementary School.

The resolution passed by a vote of 4-0-0 at a properly noticed meeting held on December 12, 2013, at which a quorum was present, with Commissioners Bender, Frumin, Quinn, and Serebin in attendance.
