Resolution Regarding PSC Case #110687 regarding construction of the American University's Washington College of Law

Whereas, the project has been the subject of lengthy Zoning Commission proceedings and has been approved by the Zoning Commission.

Whereas, the public space application before us largely formalizes the public space portion of the ZC order with regard to the law school and is on the PSC consent agenda.

Whereas, the public space application is on the PSC consent agenda meaning no discussion of it will take place.

Now therefore be it resolved, ANC 3E sees no reason to object to the application

The resolution passed by a vote of 5-0-0 at a properly noticed meeting held on December 10, 2015, at which a quorum was present, with Commissioners Bender, McHugh, Quinn, Hall and Wallace in attendance.
