Resolution Regarding Application for wall at 5425 Western Avenue NW (DDOT tracking number 103136)

Whereas, the Lisner-Louise-Dickson-Hurt Home (Lisner Home) located at 5425 Western Avenue NW has applied to DDOT's Public Space Commission for permission to reconstruct a wall and ornamental gate exceeding 42" at its main entrance on Western Avenue, and

Whereas, there is currently a gate and wall occupying the same footprint and with a similar height to the proposed replacement wall and gate, and

Whereas, the proposed gate and wall are located on a busy arterial with high traffic volumes and on both sides the wall, and in fact the entire frontage on Western Avenue, is framed by a hedge which greatly exceeds the height of the wall and is almost as tall as the gates, and

Whereas, ANC 3E is not aware of any objections from nearby neighbors.

Now therefore be it resolved, that ANC 3E supports the above referenced application for permission to construct a replacement wall and gate at 5425 Western Avenue NW.

ANC 3E approved this resolution at its meeting on January 8, 2015, which was properly noticed and at which a quorum was present. The resolution was approved by a vote of 5-0-0. Commissioners Jonathan Bender, Amy Hall, Jonathan McHugh, Tom Quinn and Anne Wallace were present.
