Re: Public Space Application for 4825 43rd Street, NW – Tracking Number #73543

Dear Mr. Marcou:

At the September 13, 2012 meeting of ANC 3E, both the Applicant – John Berchert -- and the ANC agreed to request that the Public Space Committee consideration of this matter be removed from the agenda for the September 27, 2014 meeting to allow more time for the Applicant and ANC to consider potential adjustments to the proposal. Thank you in advance for accommodating this request. It is our hope that after further consultations, an application relating to this property can come before the Public Space Committee at a future meeting with the full support of the ANC.

Sincerely,

Matthew Frumin
Chair, ANC 3E
