**Resolution Regarding the Public Space Application for
4619 41st Street, NW ("Bread & Salt") (DDOT Tracking Number 95016)**

WHEREAS

The Applicant, Bread & Salt, a soon to be opened restaurant, seeks to place an awning over a planned and approved outdoor eating area in the public space.

Bread & Salt is located directly to the north of a restaurant with an enclosed sidewalk café in the public space. The proposed awning at Bread & Salt will enable Bread & Salt both to serve patrons at more times and take advantage of the fresh air and create a stronger street presence in the shadow of the restaurant to the north. It can also help to enliven the 41st Street area which will soon host three significant restaurants in a row and a fourth restaurant three doors to the north and a refurbished triangle park to the west.

A mock-up of the proposed structure is attached. At the June 12, 2014 meeting the applicant assured the ANC that the proposed half wall in the rendering (at the north end of the structure with flowers shown on top) was included in error and was not part of the proposed plan.

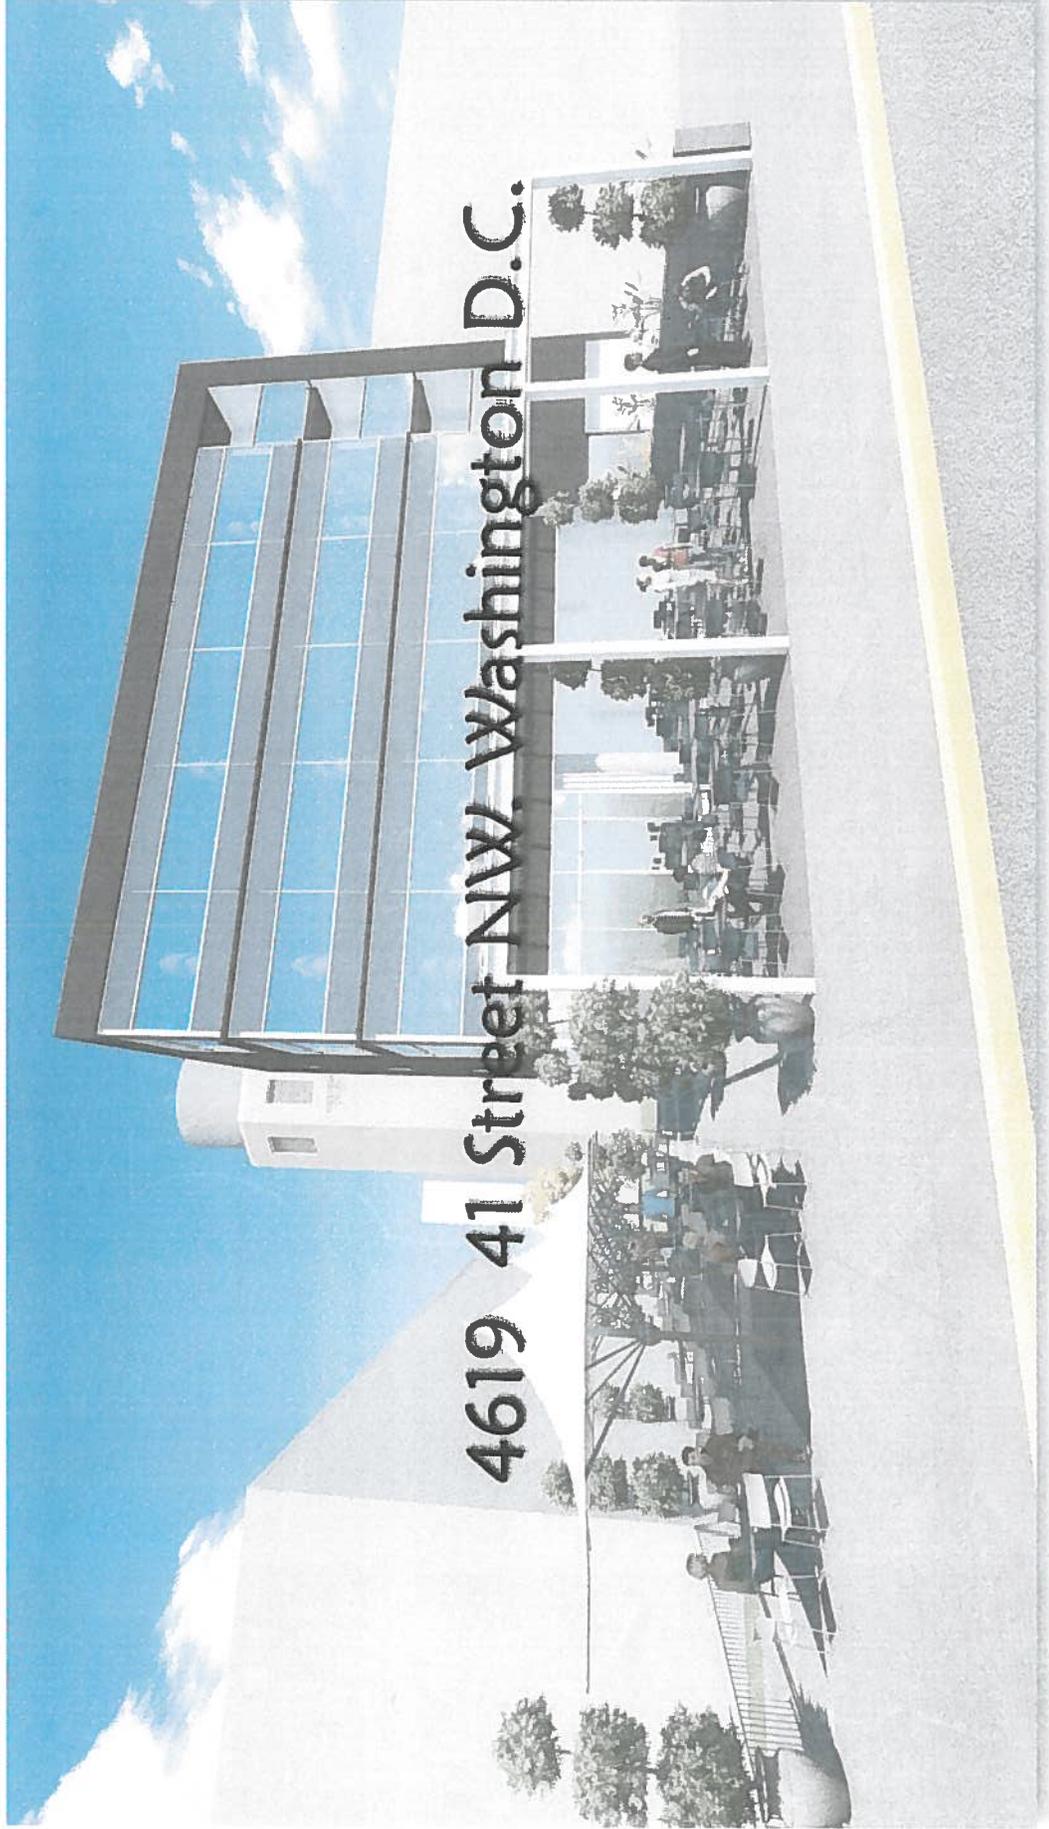

THEREFORE BE IT RESOLVED, ANC 3E has no objection to this public space application (DDOT Tracking Number 95016).

ANC 3E approved this resolution at its regular meeting on June 12, 2014, which was properly noticed and at which a quorum was present. The resolution was approved unanimously by a vote of 3-1-0. Commissioners Jonathan Bender, Matthew Frumin, Tom Quinn and Sam Serebin were present.
