CHICK-FIL-A RESOLUTION

WHEREAS, Chick-Fil-A (the “Applicant”) plans to open an eating establishment at 4505 Wisconsin Avenue NW and has applied to the Public Space Management Branch of the District of Columbia Department of Transportation (DDOT) for permission to place outdoor seating on public space in front of the establishment; and

WHEREAS, while respecting the concerns of residents who are troubled by the addition of another fast food establishment to the neighborhood, ANC3E notes that 4505 Wisconsin Avenue has been vacant for a full year, since December 1, 2014, and vacant storefronts are known to have a negative impact on nearby businesses and on the community as a whole; and

WHEREAS, outdoor seating can improve vibrancy; and

WHEREAS, no reason exists to oppose Applicant’s proposed outdoor seating inasmuch as it will not protrude as far into public space as the outdoor seating of other establishments on the east side of the 4500 block of Wisconsin Avenue NW and will leave 10 feet of sidewalk available for pedestrian use.

NOW, THEREFORE, BE IT RESOLVED, ANC3E does not object to the Applicant’s public space application and will so notify the Public Space Committee.

The Commission approved this resolution at its meeting on December 10, 2015, which was properly noticed and at which a quorum was present. The resolution was approved by a vote of 5-0-0. Commissioners Bender, McHugh, Quinn and Wallace were present.
