Resolution Regarding Application by Public Tenley PGT, LLC for a Class Change to Its ABRA License (ABRA-085626)

WHEREAS

1. ABRA noticed a hearing to consider a class change of the Public Tenley PGT, LLC (“Public”) Class “C” Restaurant license to a Class “C” Tavern license for March 31, 2014, with the comment period closing on March 17, 2014.
2. ANC 3E has consulted with the applicant both about this request and others potential plans for the restaurant. Both the ANC and the applicant believe that consideration of the pending request now would be premature given the other possible changes at the site.
3. ANC 3E expects to work closely with the applicant in the coming months to consider other possible changes to the site.

NOW THEREFORE BE IT RESOLVED:

ANC 3E respectfully requests that the ABRA postpone its hearing on this matter until July 2014 at the earliest and that the protest date be stayed until July 17th 2014 with the consent of Public and if the extension is not granted then ANC 3E lodges a protest against Public ABRA-085626 case on grounds of diminution of property values, disturbance of peace, order, and quiet of the neighborhood et al.

The resolution passed by a vote of 4-0 at a properly noticed meeting held on March 13, 2014, at which a quorum was present, with Commissioners Bender, Frumin, Quinn and Serebin in attendance.
