RESOLUTION OF SUPPORT IN ABRA-000394

WHEREAS:

1. On September 26, 2014, ABRA noticed a hearing for renewal of a Class B Retail-Grocery license for Discount Drugs Wisconsin Inc DBA Rodman's Discount Drugs ("Rodman's").
2. After placing this item on ANC 3E's agenda, a constituent contacted the commissioner for Rodman's Single Member District with a complaint about truck traffic for Rodman's, including at least one beer and wine truck, using streets in the neighborhood on which truck traffic is prohibited.
3. ANC members have heard similar complaints before.
4. Rodman's desires to reduce and, if possible, eliminate such issues, and has entered into a settlement agreement (attached) with provisions that will help achieve that goal.
5. The ANC believes that with this agreement in place, no reason exists to object to the renewal application, and Rodman's provides a popular venue for residents to purchase beer and wine.

NOW THEREFORE BE IT RESOLVED:

1. ANC 3E supports the above-referenced application in partial reliance upon the attached settlement agreement.
2. ANC 3E and Rodman's respectfully ask ABRA to incorporate the provisions of the attached settlement agreement, to the fullest extent possible, in any order regarding the application.

The resolution passed by a vote of 4-0-0 at a properly noticed meeting held on October 9, 2014, at which a quorum was present, with Commissioners Bender, Frumin, Quinn, and Serebin in attendance.
