Discussion of and possible vote on resolution regarding public space application by Muncieez for sidewalk cafe at 4600 Wisconsin Ave, NW

Muncieez, a Lebanese, fast-casual restaurant expects to open at the end of May at 4600 Wisconsin Ave at Tenley Hill. They would like to install an outdoor patio in front of the restaurant that will close at 10 PM on weeknights and midnight on weekends. Commissioner Bender moved and Commissioner Wallace seconded a motion to support the resolution for a sidewalk café for Muncieez. The motion was approved by a vote of 4-0-0 with Commissioner McHugh absent during the vote.

Presentation by DDOT of their traffic study in the vicinity of 41 St and Military Rd, NW

Emily Dalphy from DDOT presented their traffic study plan for the area surrounding 41st St and Military Rd. The study started in response to a resolution passed by ANC3E to see how diverters along Military Road were affecting traffic on 41st St. DDOT has hired a consultant to study traffic volume, speed, accidents, etc., and they would like input on community concerns. The study will take between 4 and 6 months and they expect to come back to the ANC at the end of the summer with a set of recommendations. An attendee stated he didn't want resident's access to the neighborhood impeded. Other attendees asked questions about: additional traffic from GDS' new school; bicycle access at diverters; how aggressive driving will be addressed; the design of intersections; pedestrian safety; and the placement of signs. Commissioners asked DDOT to look at 43rd St between Military and Jenifer and the intersection of Belt Rd and Chesapeake St. They asked if bulb outs could be added to 42nd St while it is under construction. They also asked if DDOT could look at private school traffic from Maryland cutting through the neighborhood and if DDOT could extend the study to surround GDS.

Presentation by representative from People for Fairness Coalition regarding its initiative seeking installation of public restrooms throughout downtown DC

Marcy Bernbaum, a resident in the area and a representative of People for Fairness, a homeless advocacy group, gave a presentation of the lack of public restrooms in the downtown DC area. Elderly people, children, homeless, tourists, etc. need access to restrooms. There is a bill being reviewed by the DC Committee on Health to fund public stand alone toilets similar to those available in London or Portland, Oregon and they are trying to garner community support for their initiative. They are also hoping DC will provide incentives to businesses to open their toilets to the public. Commissioner asked where they would be installed, the cost to build and operate the toilets, and the zoning requirements and the relief required to install them. They hoped that businesses and the federal government could help fund the initiative. Ms. Bernbaum asked the Commission to consider sending a resolution in support of the initiative to the DC Council.
