ANC 3E

DDOT Tracking Number 219716

Dear ANC 3E:

This is to notify you of an application to occupy public space for the purpose of Paving: Curb & Gutter(s), Paving: Driveway(s) Repair or Replace, Paving: Sidewalk(s) at the premises at 5001 38TH STREET NW, WASHINGTON, DC 20016.

Enclosed are plans showing the proposed work. Please review the application and plan and return this letter to the Public Space Permit Office (PSPO) advising it whether or not ANC 3E has any objections to the application. The response must be received at the PSPO no later than thirty (30) days from the postmarked date of this letter, excluding Saturdays, Sundays, and legal holidays. If a response is not received within that period it is assumed that ANC 3E has no objections to the application. If ANC 3E has objections, they must be provided to the PSPO in writing and with supporting details. Please provide ANC 3E's response in the space below and return this letter with any correspondence pertaining to this application to:

District Department of Transportation
Public Space Permit Office
Attn: Public Space Committee Coordinator
1100 4th Street S.W. / 3rd Floor,
Washington DC 20024,

Please Note: For ANC 3E's response to carry "Great Weight", this request must be voted on by the commission as a whole at a properly noticed meeting that is open to the public.

If you have any questions, please feel free to contact the assigned technician at john.stevens@dc.gov or call (202) 442-4670 with questions. (FAX: 202-535-2221)

Conditions

Permit Conditions:

Must call PSI before start of work for delivery of ORIGINAL PERMIT @ 202 645-7050.

This permit is revocable at any time at the discretion of FEMS, MPD and/or DDOT

Extended restoration may be required. Level of restoration to be determined by DDOT. A DDOT Public Space Construction Inspector (202-645-7050) must authorize any restoration before work begins.

No work in public space permitted during official DC government holidays.

For return of deposits please call the PSI office at (202) 645-7050 to schedule an inspection.

Renewals require all prior public space permits be on premise.

Permit holder responsible for obtaining any additional permits required by statute or regulation including DOH, DDOE and DCRA permits.

No change to size, layout, design or materials from the existing feature is allowed.

Permit holder is responsible for all damage to public space as a result of work done under this permit.

All street trees located within the work zone shall have a 6' high chain link fence placed around the tree space to the extent of the box (min 4' x 9') or in a continuous planting space to the extent of the dripline. The fence shall be installed prior to work starting and removed after work has been completed.

This permit must be on site at all times and visible from public space.

Work hours in public space are listed on the approved Traffic Control Plan. Any work in public space before 7am or after 7pm Mon. thru Sat. or all day Sun. requires an additional permit from DCRA.

All work must comply with all District regulations and statutes. Violation may result in revocation of this permit.

Must follow approved site plan without deviation.

Person who posts an unauthorized sign or removes an authorized sign is subject to a fine of $100 per day.

Speeding violation fines are doubled in construction work zones.

This permit does not authorize the posting of No Parking signs. A separate public space occupancy permit is required.

Must notify PSI prior to the commencement of work in public space and again prior to final restoration work. Please call 202.645.7050, Monday-Friday, 7:00am-3.30pm.
