						<p>permitted by code in public space. Permitted fences in public space shall be a maximum of 42 inches high and a minimum of 50% open in nature. Please either reduce the fence to no greater than 42 inches and 50% open or relocate the overheight fence entirely onto private property which is approx. 28 feet from the curb. &amp;#x0D;</p> <p>&amp;#x0D;</p> <p>If the Applicant still wishes to seek the overheight fence in public space, then a letter must be written and uploaded to TOPS indicating that they would like to be heard by the Public Space Committee (PSC). Please also include reasons for not complying with</p>
--	--	--	--	--	--	--

						the revisions requested. As an overheight privacy fence is outside staff authority to approve, failure to comply with code means this application must be reviewed by the PSC.
