Where will additional funds needed to complete the project come from?

Corporate and Family Sponsorship along with race registration fee.

Describe the benefits to the residents of ANC 3E

The race is open to not just Janney community, but also to all residents of ANC 3E and beyond. The race each year has seen kids and their parents participate in a race for their first time. It has inspired many to do other races or to focus on other healthy activities. Hosting this event in the wider Tenleytown community is also a way the school and the community-at-large can connect with each other. We hope to see dividends for the health of our children, families and neighbors for years to come.
