Dear Director Anderson:

This letter serves to advise you that ANC3E has received information about the “Friends of” program for Fessenden Park and authorized me to write a letter expressing the ANC’s support for Tenleytown Main Street’s application to participate in that program.

The ANC authorized me to write a letter of support at our properly-noticed, regularly scheduled meeting held on October 12, 2017, by a vote 4-0-0, with Commissioners Bender, Erhardt, McHugh, and Quinn in attendance.

Thank you,

Jonathan Bender
Chair
