**RESOLUTION WITHDRAWING PROTEST IN ABRA-083570**

**WHEREAS:**

1. ABRA noticed a hearing for renewal of a of a Class C Restaurant license for DC Narveer, Inc., doing business as Café of India, for May 13, 2019, with a petition date of April 29, 2019.
2. ANC 3E received a detailed complaint from a constituent at its April 11, 2019 meeting about noise and disturbance associated with Café of India.
3. The ANC approved a motion at that meeting directing commissioners to work with the constituent and the applicant to attempt to resolve their differences.
4. Per this motion, if said differences could not be adequately resolved before the protest date, the ANC would protest renewal of Café of India's license.
5. Because negotiations could not be completed before the protest date, the ANC lodged a protest.
6. Since then, Café of India, ANC members, and the complaining constituent worked together to resolve this dispute amicably.
7. At our May 9, 2019 meeting, the ANC approved the attached modification of Café of India's existing settlement agreement, and authorized the SMD commissioner to draft and send a resolution withdrawing the protest provided ABRA accepts the modified settlement agreement. The changes to the agreement are limited to confirmation that Café of India has installed sound baffling equipment for its exhaust and has promised by a date certain to replace the exhaust fan.

**NOW THEREFORE BE IT RESOLVED:**

1. ANC 3E respectfully withdraws the protest against Café of India in ABRA-083570 provided that ABRA accepts the attached modified settlement agreement.

The resolution passed by a vote of 5-0-0 at a properly noticed meeting held on May 9, 2019, at which a quorum was present, with Commissioners Bender, Ehrhardt, Hall, McHugh, Quinn, in attendance.
