GRANT APPLICATION

Grants are available only to non-profit organizations; individuals may not apply. Applicant organizations must provide services to the area covered by ANC3E and grant funds must be expended within the boundaries of ANC3E. Within 60 days of the issuance of any grant, the grantee must provide to the Commission a statement as to the use of the funds consistent with the grant application, complete with receipts which support the expenditures. Grants may be submitted via email to dianawinthrop@gmail.com or mailed to ANC3E.

Please complete all items. Incomplete applications will be returned and not considered. Attach additional pages if needed.

1. Applicant Organization

Name: Lisner-Louise-Dickson-Hurt Home (LLDH Home)

Address: 5425 Western Avenue, N.W.
Washington, DC 20015

Contact Person: Ward Orem, CEO

Telephone: 202-966-6667 ext. 3311

Fax: 202-362-0360

Email: lworem@lldhhome.org

2. Project Information

Name of Project: Personal Protective Equipment – COVID-19 Related Expenses

Description of Project: This $3000 grant request to the ANC3E will be directly applied to the cost of purchasing personal protective equipment (PPE) for all staff members of the Home. This includes the cost of, among other things, surgical masks, N95 respirators, plastic face shields, protective gloves, and protective gowns; these items make up the majority of the PPE the Home needs to buy and keep on hand to protect both employees and our vulnerable senior residents. To help the ANC3E better understand the scope of the costs the Home is incurring, during the period April 3 through July 6, we spent nearly $39,000 on PPE, or an average of $13,000 per month (slightly over $3000 per week). We do not anticipate this level of expenditure diminishing for the foreseeable future. Our

priority is and will remain to adhere to all mitigation and control measures necessary so that we ensure the safety and health of our residents and staff until the COVID-19 virus can be brought under control via approved and available vaccine(s) and other therapeutic efforts. It is worth noting that the Home's residents have all consistently tested negative for the virus, on a weekly basis, since June 22nd.

Location of Project within 3E: 5425 Western Avenue, N.W.

Total Project Cost: Not to exceed $3000

Grant Request: $3,000 to be used for the purchase of personal protective equipment (PPE) for all staff members of the Home.

Where will additional funds needed to complete the project come from?

We received a grant from the Greater Washington Community Foundation in June that was expensed directly towards the cost of purchasing PPE as well as hand sanitizer; virtually all of the $30,000 they gave us was spent on PPE purchased through July 6. Other monies have been received to assist in covering lost revenue from our cancelled spring fundraiser, to cover employee payroll, incentives, and overtime, and to assist in paying for hotel expenses to house staff members seeking to safeguard their families at home. In the coming months, we will continue to seek outside funding, largely in the form of grants, to help the Home keep pace with the additional costs we must absorb as the pandemic continues to surge.

Describe the benefits to the residents of ANC 3E: This will benefit the residents of ANC 3E by helping to prevent the spread of COVID-19 virus in the community.

Attach a complete budget for the proposed project: Attached

The expenses must be incurred within 60 days of receipt of funds or a signed contract must be submitted to the Commission. Once the contracted services are complete, which should be done within 6 months from receipt of funds, the grantee must forward a copy of a paid receipt to the Commission. The funds may not be used for routine expenses.

As a duly authorized representative of the Applicant, I submit this grant request.
