2. Project Information

Name of Project: Janney 5K & Fun Run - 2021

Description of Project: The Janney 5K & Fun Run has been a flagship event for our Tenleytown and American University Park communities that builds community spirit and encourages good health. This year marks our 11th year. While we were able to host the race virtually last year, we are excited to host a Covid-safe live race this year. In 2019, we had over 800 participants. Janney ES PTA believes strongly in the effort to host the Janney 5K to foster healthy families in our community. Due to increased city costs and depressed corporate sponsorship in the prior year, we would appreciate the ANC's support in sustaining this important community and DC public school event. Location of Project: Start and Finish at Janney ES on USATF-certified neighborhood race course through AU Park

Total Project Cost $35,000 Grant Request $5,000

Where will additional funds needed to complete the project come from? Corporate and Family sponsorships, plus participant race registration fees

Describe the benefits to the residents of ANC 3E:

The race is open to all residents of ANC 3E and every year non-Janney entrants run, which encourages community connections. We promote and market the race through local businesses and organizations, such as Tenley Main Street, engaging the ANC 3E business community in mutually beneficial corporate sponsorships. Every year, the race is a first opportunity for many kids and parents to run together, inspiring many of them to run other races and continue to focus on healthy activities. Hosting this event in the greater Tenleytown and AU Park communities has also encouraged local businesses and community-at-large introductions, connections, and fulfilling relationships since we are all interdependent. We have seen the positive response to this community event in years past, and feel it is of particular importance this year as we begin to emerge from the pandemic and would all benefit from a community-building activity that also promotes health and wellness throughout our ANC.
