Dear Mr. Bender and Mr. McHugh,

Wisconsin Avenue Psychiatric Center DBA Psychiatric Institute of Washington (PIW) wishes to notify ANC3E-03 of our intent to submit an application for a certificate of need (CON) to establish 22 additional inpatient beds and outpatient mental health services at our current location- 4228 Wisconsin Avenue, NW, DC.

The additional beds and outpatient services will address the unmet behavioral health needs of patients. The additional inpatient beds will help meet the need for additional voluntary Adult Psychiatric and Substance Use Disorder beds. The outpatient services will include psychiatric evaluations/assessments, medication management, individual and group psychotherapy. All services will be provided by qualified licensed professionals. The facility will work closely with the D.C. Department of Behavioral Health and other health care and social service providers.

Ms. Bonita Bolden and Ms. Aarti Subramanian are authorized to respond to questions regarding the application. They can be reached, respectively, at 202-422-1754 or by email at [Bonita.Bolden@uhsinc.com](mailto:Bonita.Bolden@uhsinc.com) and at 703-725-4251 or by email at [Aarti.Subramanian@uhsinc.com](mailto:Aarti.Subramanian@uhsinc.com)

Sincerely,

A handwritten signature in black ink, appearing to read 'Dania O'Connor', is written over a horizontal line.
