2. ANC 3E received a detailed complaint from a constituent at its April 11, 2019 meeting about noise and disturbance associated with Café of India.
3. The ANC approved a motion at that meeting directing commissioners to work with the constituent and the applicant to attempt to resolve their differences.
4. Per this motion, if said differences could not be adequately resolved before the protest date, the ANC would protest renewal of Café of India's license.
