**Re: Lifematters Application for a CON to become a Home Care Agency**

Mr. Bender:

LM1 LLC d/b/a Lifematters is applying for a Certificate of Need to establish a Home Care Agency (HCA) in the District of Columbia. The agency will be located at 5028 Wisconsin Avenue, NW, Washington, DC 20016.

The agency will provide skilled nursing, medication management, intravenous therapy and personal care aide services, all of which will be provided by qualified licensed professionals. All of the agency's services are delivered onsite at the client throughout the District, either in the home or within a senior residential community. The agency's office is for administrative staff to support these activities. Lifematters currently operates a Nurse Staffing Agency at the same location.
