

1. Because the Applicant has amended his application and proposes to now locate his fence 12 feet from the sidewalk instead of immediately abutting the sidewalk as previously proposed and because two other adjacent properties on 39th Street have fences and a wall of trees much closer to 39th Street ANC 3E believes in the context of this location the applicants proposal is a reasonable compromise that retains the intended open feel of the public space laws and therefore ANC 3E does not oppose this application.

The resolution passed by a vote of ___ - ___ - ___ at a properly noticed meeting held on March 12, 2020, at which a quorum was present, with Commissioners Bender, Ehrhardt, Hall, McHugh, Quinn, in attendance.
