Resolution Supporting Wagshal's Application for a Change in its Liquor License from Class D Restaurant to Class C Restaurant, ABRA-101707

WHEREAS:

Wagshal's is neighborhood institution providing deli services, a meat and seafood market, sundries, alcohol, and a restaurant serving alcohol at 4855 Massachusetts Avenue NW. Many residents value the selection of goods available at Wagshal's.

For decades Wagshal's has sold beer and wine and most recently has expanded to include a restaurant serving beer and wine.

We are unaware of any complaints related to actual beer and wine sales by Wagshal's.

Wagshal's has applied for a "Substantial Change" to their liquor license from Class "D" Restaurant to a Class "C" Restaurant.

This license will allow such sale of beer, wine, and also liquor at the cafe.

So far as ANC 3E can tell, the application before us would, if granted, provide minimal change in the existing operations of the facility, and would present diners with additional options related to their beverages. There would not be a significant substantive change.

As such and given Wagshal's longstanding sales of beer and wine without incident, the ANC sees no reason not to support the current application.

NOW THEREFORE BE IT RESOLVED:

ANC 3E supports Wagshal's application.

The resolution passed by a vote of 0-0-0 at a properly noticed meeting held on February 9, 2022, at which a quorum was present, with Commissioners Bender, Cohen, Hall, and Quinn in attendance.
