Common Ground's ANC 3E Grant Proposal

Common Ground requests 1000 dollars to broaden the influence that Common Ground has in a 2 step plan:

1. $216 for building a Common Ground website through a year long membership on SquareSpace (a website builder). The website will feature the core values that Common Ground is built upon, vidoes and projects that we have done centered around race, and methods to be an activist towards social justice. Having a website assist Common Ground in reaching a larger audience and being more effective in helping members of our community become social activists in their lives.

2. $784 for apparel and funding for social media promotion. By having shirts, hoodies, and wristbands we hope to expand Common Ground into a place where members will sport our apparel. Apparel will help us attract more members into the club by advertising the club around the school and around D.C. Additionally we would like to spend this money on social media promotion such as Snapchat filters. Snapchat filters are filters that people can apply to their snapchats, by paying money to Snapchat Common Ground can create personalized Common Ground snapchat filters that people around Wilson can use. This will be an effective manner of expanding Common Ground's membership through social media.
